

SC1-H2020 CONSORTIUM BUILDING WORKSHOP

18 May 2018

Venue: Permanent Representation of Lithuania to the EU, Rue Belliard 41-43, Brussels

On 18 May, 2018 Lithuanian Research, Development and Innovation Liaison Office (LINO) and the Czech Liaison Office for Research Development and Innovation (CZELO) and associated Brussels-based RTD liaison offices jointly organise a half-day Consortium building workshop around selected topics of the upcoming 2019 calls of the Horizon 2020 Societal Challenge 1 (Better Health and care, economic growth and sustainable health systems). Targeted calls open on July 2018 or October 2018. The selected topics also include two stage calls with deadline on 2 October 2018.

The objective of this hands-on event is to prepare ground for consortia building: to give opportunity to discuss concrete cooperation possibilities, to exchange the expertise and learn from each other. Total number of participants is estimated around 50. Working language - English.

Tentative timeline:

- Registration opens on **27 March 2018** (http://geform.tc.cz/SC1_Brokerage_Brussels_2018)
- The deadline for registration **2 May 2018**

As for the pitch presentations, we would kindly like to ask you to inform us now if you have a project idea and **if so**, send us the (working) title and the corresponding topic as soon as possible, but no later than by **9 May 2018**. Let us stress the fact that you don't need to necessarily apply as coordinator when presenting a project idea.
