

COST Open Call evaluation - getting involved as a COST Expert

free webinar on February 25
10:00 - 11:00 CET

The European Cooperation in Science and Technology (COST) is a funding organisation for the creation of research networks, called COST Actions. These networks offer an open space for collaboration among scientists across Europe (and beyond) and thereby give impetus to research advancements and innovation.

Estonian Liaison Office for EU RTD (ELO) and Lithuanian RDI Liaison Office LINO in collaboration with COST have taken together the initiative to organize a joint webinar to promote various opportunities provided by COST with specific focus on evaluation procedures and opportunities to contribute as evaluators.

Programme

10:00 – 10:05	Welcome address
10:05 – 10:20	Introduction to COST
10:20 – 10:35	COST proposal Submission, Evaluation, Selection, Approval procedure with focus on evaluation
10:35 – 10:45	Intervention by COST experts (tbc)
10:45 – 10:55	Q&A session
10:55 – 11:00	Closure

This webinar is free of charge but the registration is required.

Registration is open until February 24, 10:00 (CET): <https://forms.gle/uhZ5qu1JJACvjqSK8>

We urge you to pose your questions in advance in the registration form. This will help to shape the content of the presentations!
