EIC Accelerator - evaluation of the projects and requirements for the evaluators

Did you know that Horizon Europe offers possibilities to innovative SMEs and entrepreneurs? What is EIC (European Innovation Council) Accelerator? Who should apply? How the projects will be evaluated? Who can serve as an evaluator?

Find the answers to these questions on March 24 at our online event co-organised by Lithuanian RDI Liaison Office in Brussels (LINO), Estonian Research Council's Brussels Office (ELO), Enterprise Estonia and Lithuanian Agency for Science, Innovation and Technology.

AGENDA for March 24 (CET time)

10:00 – 10:05 **Welcome remarks**

10:05 – 10:45 **Short introduction of EIC Accelerator and overview of the evaluation of project proposals**, Catherine Eginard and Susana Getman, European Commission

10:45 – 10:50 **Services for EIC applicants in Lithuania**, Dr. Edita Bagdonaitė, National Contact Point (NCP), Lithuanian Agency for Science, Innovation and Technology

10:50 – 10:55 **Enterprise Estonia representation in Brussels. Services for EIC applicants in Estonia**, Eve Päärendson and Kaido Sipelgas, Enterprise Estonia

10:55 – 11:25 **Q&A session**

11:25 – 11:30 **Closing remarks**

This webinar is free of charge but the registration is required.

Register before March 23, 10:00 CET here: <https://forms.gle/3F7M3jHofigKQVUx8>

We urge you to pose your questions in advance in the registration form. This will help to shape the content of the presentations!
