

EU MISSIONS

CANCER

December 16, 2021; 13.00-15.00 CET (14.00 – 16.00 EET)

The Research Council of Lithuania National Contact Points (NCPs) and Lithuanian RDI Liaison Office LINO in Brussels together with Latvian and Estonian national RDI Liaison Offices in Brussels and national NCPs are pleased to invite you to the webinar **“Conquering cancer - mission possible: coordination of actions in Baltic States”**. This event targets the stakeholders who are planning to participate in the Horizon Europe Cancer Mission activities.

During the event, our guests from European Commission (EC), Lithuanian, Latvian and Estonian national authorities, cancer research institutions, start-ups and NGOs will present the main aspects of cancer research under “Horizon Europe” funding programme. The speakers will discuss how they could contribute to the Cancer Mission and coordinate their implementation efforts at the regional level in the Baltic countries.
