

Estonian Association of Parents of Children with Cancer (EAPCC)

Mission

- **EAPCC main mission is that every child with cancer in Estonia must receive the necessary treatment not depending whether the treatment is reimbursed by healthcare system or not**
- **In case of medicine or treatment is non-refundable by the national healthcare system, EAPCC helps to find donations, initiates campaigns, cooperates with other etc. to guarantee the treatment of a child with cancer.**
- **EAPCC mission is also give any possible support to all children with cancer and families with cancer kids that need it regardless of their being a member of EAPCC or not (approx. 300 members in the community)**

Duck Race in Estonia

ESTI VAHIHAIGETE LASTE VANEMATE LIIT

Duck Race

- **Duck Race is a charity event initiated by Estonian Association of Parents of Children with Cancer – rubber duck race in Kadrioru Canal**
- **Every person can donate money starting from 5 euros per rubber duck and receive a duck number in return, the first 3 ducks and the last duck (the laziest duck) receive awards from the sponsors**
- **Since 2014 each year a large number of rubber ducks are released to Kadrioru canal to race (in 2020 and 2021 due to Covid-19 also as TV broadcast)**
- **In 2020 a record of 15 600 rubber ducks entered into the race, in 2021 15 247 rubber ducks competed**
- **Duck Race is the most important annual event to collect donations to EAPCC and the event is organised by volunteers and with the help of sponsors**
