

Expression of Interest in Collaborating as a Partner on Horizon Europe Calls

On behalf of the OFFICE, we would like to express interest in cooperating as a partner in the following areas of Horizon Europe. More information about the institution can be found below.
For questions or remarks, please email info@etikostarnyba.lt

BRIEF DESCRIPTION OF CONTRIBUTION AS A PARTNER:

Our institution is a leading state entity specializing in ethics and procedures, providing comprehensive expertise in this area, with a core focus on providing in-depth analytical expertise. We have a national mandate to address critical issues related to academic ethics and procedures and our experience includes proposing solutions, initiating investigations and supervising compliance with ethics provisions. We are also actively involved in developing and implementing AI ethical regulations across various institutions.

Our team of analysts is dedicated to investigating, assessing and resolving complex ethical issues across the academic and public sectors.

AS A PARTNER IN HORIZON EUROPE CALLS, WE AIM TO LEVERAGE OUR ANALYTICAL CAPABILITIES TO CONTRIBUTE TO PROJECTS FOCUSING ON:

Ethics in AI Development and Implementation:

Providing ethical frameworks and guidelines through thorough analysis to support responsible AI use in research and higher education.

Impact Assessments and Monitoring:

Utilizing our analytical skills to monitor and evaluate the effectiveness of project initiatives, ensuring that ethical considerations are maintained throughout the project lifecycle.

Seminars and Recommendations:

Offering expert-led seminars and workshops on ethics and procedures, delivering actionable recommendations to academic institutions, public services and business sector. These sessions foster ethics compliance and help cultivate environments of trust.
